May *The Sullivants in Thailand* 2019

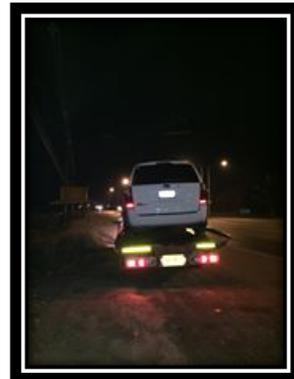

Dear Friends,

Well, April was a month of ups and downs on a number of fronts and we appreciate your prayers and support through it! It's always good to know that people are upholding us in prayer and financial support that helps us to do the work of the Lord here in Thailand.

At the beginning of the month, we went to the northern part of Thailand for a fellowship meeting with other independent Baptist missionaries and Thai pastors. It was a good time of encouragement from the Word and from just being with other people who have walked the same path and dealt with the same adjustments and challenges that come from cross-cultural ministry.

On our way home from that meeting, our van engine died. Fortunately, we came to a stop in front of a police station about 45-50kms outside of our city. The officers there called a tow truck for us and we were able to get a ride into the city.

Due to several holidays, including the Thai New Year (a three-day waterfight), and discovering our local dealership was no longer a dealer for Kia and therefore had to tow the van an additional 2 hours, we were not able to get it looked at immediately. When we finally got the repair quote it came to \$2,200USD/\$2,900CAD. Unfortunately, not all of the parts are sourced locally, so we are waiting for some parts from South Korea.

I have saved the best news for last! The lady we asked you to pray to be saved last month came to us on the 14th and confessed that she had made a profession of faith that was only "from her mouth," and not from the heart, but she now believed from the heart and wanted to be baptized! We thank the Lord that she indeed did follow the Lord in believer's baptism on the 21st! Thank you for praying for her.

For His Glory,
Michael Sullivant Jr. & Family

Please continue to pray!
* Please continue to pray for our church neighbor's salvation.

He has completed a short 'Creation to Christ' course and has taken other Gospel literature to read.

* Pray for a quick (but quality) repair of our van.

* Pray for labourers in Thailand.
